# The Gambler

C

Intro:

GCEA Chords:

F C

On a warm summer's evenin', on a train bound for nowhere,

G

I met up with the gambler; we were both too tired to sleep.

C

F C

So we took turns a-starin' out the window at the darkness,

F

C

G

C C

'til boredom over-took us, and he began to speak.

F C

He said, "Son, I've made a life out of readin' people's faces,

G

and knowin' what the cards were by the way they held their eyes.

C

F C

So, if you don't mind me sayin', I can see you're out of aces.

F

C

G

For a taste of your whiskey, I'll give you some ad-vice."

F C

So, I handed him my bottle, and he drank down my last swallow.

G

Then he bummed a cigarette and asked me for a light.

C

F

C

And the night got deathly quiet, and his face lost all ex-pression.

F

C

He said, "If you're gonna play the game, boy, you gotta

G

C

C

learn to play it right.

F C

You've got to know when to hold 'em, know when to fold 'em.

F

C

G

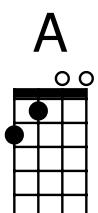

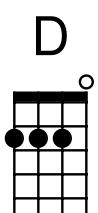

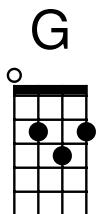

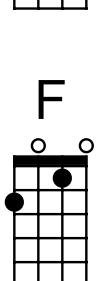

Know when to walk away and know when to run.

C

F

C

You never count your money when you're sittin' at the table.

**F**

**C**

**G**

**C**

**D**

There'll be time enough for countin', when the dealin's done.

**G**

**D**

Every gambler knows that the secret to sur--vivin',

**A**

is knowin' what to throw away, and knowin' what to keep.

**D**

**G**

**D**

'Cause every hand's a winner, and every hand's a loser,

**G**

**D**

**A**

**D**

**D**

and the best that you can hope for is to die in your sleep.

**G**

**D**

And when he finished speakin' he turned back towards the window,

**A**

crushed out his cigarette and faded off to sleep.

**D**

**G**

**D**

And somewhere in the darkness, the gambler he broke even.

**G**

**D**

**A**

**D**

**D**

But in his final words I found an ace that I could keep.

**G** **D**

You've got to know when to hold 'em, know when to fold 'em.

**G** **D** **A**

Know when to walk away and know when to run.

**D**

**G**

**D**

You never count your money when you're sittin' at the table.
