LET IT BE

THE BEATLES

F/ Em/ Dm/ C/

When I find myself in times of trouble,

Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness,

She is stading right in front of me

Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken hearted people

Living in the world agree

There will be an answer... let it be

For though they may be parted

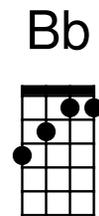

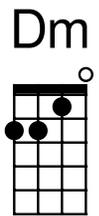

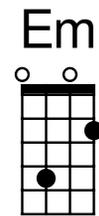

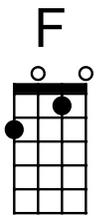

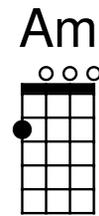

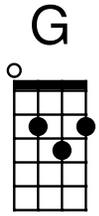

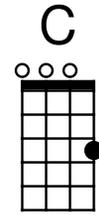

There is still a chance that they will see

There will be an answer, let it be

Let it be, let it be, let it be, let it be

Yeah there will be an answer, let it be

Let it be, let it be, let it be, let it be
